SCCS high school entrance at football games is going to be tightened up, no dogs, food, or bags, and also having middle school students be accompanied by an adult. We are making signage to help with that. If it is a service dog, they need to define what the medical service is.

Misconducts, only 5 coach issues this year, our league is doing great. Misconducts are lower than last year at this point.

Baseball: reduce the number of automatic qualifiers,
Softball : in the PAL change the classification of the divisions
Subjectively seed the brackets
Add a qualifier to the BVAL league

A round robin instead of single elimination

During the jamboree, the coaches were doing great and the kids were all having fun. There were so many questions that it ran long. It was a very successful event

Girls flag football games are longer this year because of rule changes. Next year we need to adjust the games times

To make surfing a CIF sport. Currently it is a club sport and a teacher needs to be an advisor, it is not a school recognized sport in the league. AD's don't over see the budget or decisioning of the surf team

Can we give a Tex Ronning outstanding athlete award instead of renaming the tournament?

Gate fee increase? Eric is going to bring it up with the ADs. The cost is rising for everything, it may be time to think about this
